INCLUDES FLIGHTS TO EGYPT
HOTEL (B+B) AND DIVING!

It's no exaggeration to say that Sharm el Sheikh is one of the greatest places on Earth when it comes to diving.

Day 1: Go to the Dive Centre (next door!) to register with them before going to the day boat for 2 dives in the local sites, with lunch on board in between. Most days we are on the boat from 9am to no later than 5pm. If you're training we can do courses on all diving days!

Day 2: Depending on your wishes, we would normally visit sites further afield which may include Ras Mohammed or Straits of Tiran. Most days we also have the option of a third dive which you can pay extra for.

Day 3: More diving on different sites to day 2, where we always try and mix up the destinations so you get a wide variety of diving.

Day 4 and 5 (if you have the 5 day dive pack): There are so many wonderful dive sites most people opt for 5 days diving to experience everything there is in this part of the Red Sea.

Day 6: If you can't get enough - and we wouldn't blame you - you can pay for a final days diving, or if you prefer, you can have a lazy day in Naama Bay or the hotel. Or why not try one of the many excursions, ranging from Quad Biking to a Water Park?!

Day 7: Return to the UK.... with a smile!

NAAMA BAY

Naama Bay is Sharm el Sheikh's main centre, with hotels and restaurants overlooking sandy, gently shelving beaches.

An array of shops, cafés, bars and restaurants are located on and behind the main promenade.

If you want to be at the centre of the action, Naama Bay is the place to stay.

BAY VIEW HOTEL

Bay View Hotel in Sharm is located right in Naama Bay (no local "taxi" required!), the main resort centre of Sharm El Sheikh, and is next to Emperor Dive Centre.

The hotel enjoys a prime position just a few minutes stroll from the sandy beaches of Naama Bay but still nicely set back away from the hustle and bustle of the main street. It's a perfect hotel for divers!
